

READINESS INSIGHT

Release Notes May 24, 2024

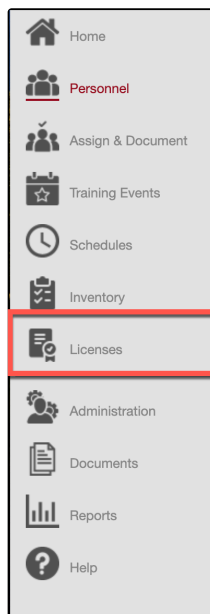

Readiness Insight is continuously being improved and enhanced to provide the best product for you, our client. We provide regular updates which include improvements for performance and reliability. In addition to these **New Features**, we will include a list below of Readiness Insight **Fixed Issues** and **Improvements**. As a Readiness Insight client, your experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support through the support portal.

New Features

- **Licenses:**

Added a new menu called Licenses

New License privilege has been added (The function to Generate/Print Licenses is still "In Work")

Name ▲	Description	Organization	Configuration Group
Licenses	Allow a user to access the Licenses menu and print Licenses.	Yes	No

Improvements

- **Jobs:**

Jobs now has its own section of the dashboard and will be displayed above the Active section.

A job type will only appear if an individual has at least 1 or more active jobs within that type.
