Version 12.211

Release Notes

Apr 1, 2021

ASMi is continuously being improved and enhanced to provide the best product for you, our customer. We provide regular updates which include improvements for performance and reliability. In addition to these standard improvements, we have included a list below of ASMi and Command Portal enhancements and refinements. As an ASMi customer, your ASMi experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support number at (210) 761-9611 or email at support@asmisystem.com.

✅ **Fixed Issues**

Profile>Drivers License

- Updated personal Drivers License to help identify if license is associated with a foreign country.
