Version 12.207

Release Notes

Jan 28, 2021

ASMi is continuously being improved and enhanced to provide the best product for you, our customer. We provide regular updates which include improvements for performance and reliability. In addition to these standard improvements, we have included a list below of ASMi and Command Portal enhancements and refinements. As an ASMi customer, your ASMi experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support number at (210) 761-9611 or email at support@asmisystem.com.

✅ **Fixed Issues**

Configure>Question Bank

- Configured question bank fields were being changed when an authorized user reviews a test on an individual.
    - Changed Date and Changed By fields will no longer get updated for those questions within the Question bank.
  - Reviewed Date and Reviewed By fields will no longer get updated for those questions within the Question bank.
