Version 12.213

Release Notes

May 12, 2021

ASMi is continuously being improved and enhanced to provide the best product for you, our customer. We provide regular updates which include improvements for performance and reliability. In addition to these standard improvements, we have included a list below of ASMi and Command Portal enhancements and refinements. As an ASMi customer, your ASMi experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support number at (210) 761-9611 or email at support@asmisystem.com.

✅ **Fixed Issues**

Roles>Privileges

- As we continue to enhance and streamline ASMi we have updated and removed numerous privileges. The removed privileges will have no impact on our current clients as these privileges were not being used.
